Words of Wisdom

When the mind is no longer seeking, no longer breeding conflict through its wants and cravings, when it is silent with understanding, only then can the immeasurable come into being.
~J. Krishnamurti

The only devils in this world are those running around in our own hearts, and that is where all our battles should be fought.
~Mahatma Gandhi

Morality is a human creation... the Universe does not judge.
~author unknown

Your whole idea about yourself is borrowed-- borrowed from those who have no idea of who they are themselves.
~Osho

It is only with the heart that one can see rightly; what is essential is invisible to the eye.
An empty bag cannot stand upright.

Be always ashamed to catch thyself idle.

Cheese and salty meat should be sparingly eat.

The Doors of wisdom are never shut.

Early to bed and early to rise makes a man healthy, wealthy, and wise.

God helps them that help themselves.
